Money,  
I have really enjoyed knowing you  
this year. and I'll always remember  
you, Doug, the Dorm and of course  
Mr. Sundada. Hope you didn't mind  
when I flirted with Doug. I mean  
he's really cute and everything but I  
like Chris, a little bit better. O.K.  
Stay as cute and nice as you  
are, & love

Nancy Well, another year has passed for us Dela  
quips - a better one for the most part. Its been  
re-de fun knowing you these last two years. I hope  
you have a blast in Va. Thanks for all you've done  
for me this year & your friendship which has allowed  
me through thick & thin.  
It's been fun. Write to me.

G. M. A. Janie

Don't forget  
these meaty goat  
slumber parties!

Nancy,  
Well, we've been together two  
years now and pretty soon you'll  
be leaving me to go back to the  
good ole USA! Lucky! But you're  
leaving me behind up at Stenodal  
and now I won't have anybody  
living down the block that I can  
call in emergencies like the times  
I do dumb things like breaking  
punch bowls . . . . remember? Any-  
way, I'll always remember your  
friendship and understanding. We've  
had loads of good times together  
and I enjoyed riding the bukk  
with you. This year we haven't  
been as close as last since we  
were in different dorms and  
all but we've still kept our  
friendship as I hope we always  
will. I think we've both  
changed a lot this year -  
you for the better - I hope  
me for the better (it better  
have been a really drastic  
change for me too!) Please  
don't remember me by the  
horrible picture in this  
annual but by some of  
my better(?) times - if I  
had any (I hope) I was so  
glad when you started going  
with Doug - you make the  
most adchable couple - I  
wish you the best of luck  
and hope you two will get  
together in Virginia and at  
college. Now that I've  
written a life history I'll  
just say - good luck al-  
ways and don't forget  
to write! (I still haven't  
heard from Virgie) I'll never  
forget you so don't for-  
get me (I don't know  
how you could after all the  
things I done - crazy!)

Love,  
Kathi

Nancibald,

I can't think of how to start what I have to say. I feel like you're more than any friend has meant to me. You are my favorite girl associate in the school and you have stayed my friend through the whole year. I actually love you like a sister

## LA VICTOIRE

because you have been so near and dear and if I were ever to cry **1964** you would be the one to wipe my eyes. Please remember me because I'll never, never forget you and how much your friendship has meant to me through this year's ups and downs and good happy times and bad times.

Nancy

Well the year is finally over and soon we'll be on our separate ways. I'll always remember you Nancy for the fun we have had together with Doug & Bob. The year hasn't been to great a success but there is always next year. Always stay as nice a person as you are and remember to say hello to Debbie for me when you get back to Oslo. Good luck and the best of success to one of the best girls at Dreux.

Love, Sue

### Dedication

We dedicate this annual to Sgt. Alton Snead, whose devoted time and interest have helped to give us "La Victoire" this year. Sgt. Snead worked with rare enthusiasm that encouraged the student body and faculty to show more interest in sports and other school activities.

We appreciate your help, "Snead," and thanks for making Dreux American High School the best school in Europe.

France.  
 You made all  
 my Saturday and  
 Friday nights happy  
 when I could  
 come around the corner  
 of the dorm and  
 see you and Doug on  
 the steps. We kind  
 of get attached to  
 the old school and  
 I guess you get  
 attached to steps.  
 Next year we won't  
 be coming back here  
 but I hope to see  
 you more in the

I do think
